## EDUCATION

### Shri Vishnu Engineering College for Women

Bachelor of Technology in Information Technology — CGPA 8.08/10

2024 – 2027

### Smt. B. Seetha Polytechnic

Diploma in Computer Engineering — Percentage 90.58%

2024

## SKILLS AND PROFICIENCIES

**Programming Languages:** Java, Python, JavaScript, JSP

**Web Technologies:** HTML, CSS, JavaScript

**Database:** MySQL

**AI & APIs:** Google Gemini API, AI Code Analysis

**Core Concepts:** Object-Oriented Programming, Database Management, Computer Networks

**Cloud:** Salesforce

**Developer Tools:** VS Code, Eclipse, GitHub

**Soft Skills:** Team Collaboration, Time Management, Adaptability

**Areas of Interest:** Frontend Web Development

## WORK EXPERIENCE

### InspireLeap — Web Development Intern

June 2025 – August 2025

- Contributed to web development projects as part of a team during the internship
- Created responsive web pages using HTML and CSS based on project requirements
- Supported frontend development tasks and gained practical exposure to web development workflows

### Franklin Tech Systems Pvt. Ltd. — Industrial Training

June 2023 – November 2023

- Completed industrial training in Python, MySQL, and Object-Oriented Programming concepts
- Contributed to a Hospital Management System project as part of a team
- Gained practical exposure to Python programming, MySQL, and software development workflows

## PROJECTS

### CodeSentinel AI — Java, HTML, CSS, JavaScript, Google Gemini API

- Developed an AI-powered code analysis platform combining AI assistance, code validation, security analysis, and compiler feedback in a unified workspace
- Integrated Google Gemini API to provide code explanations, debugging guidance, and intelligent programming assistance, and AI-generated code improvements
- Implemented vulnerability, bug, and code-smell detection to provide actionable feedback and improve code quality

### Online Bus Pass Renewal System — JSP, HTML, CSS

- Designed frontend pages for an online bus pass renewal system using JSP
- Implemented user login, details update, document upload, and renewal submission functionality

## ACHIEVEMENTS

- Salesforce Trailhead: Double Star Ranger with 251 badges, 108,175 points, and 5 Superbadges
- National-Level AI Hackathon Participant: Participated in the AI Autonomous Hackathon 2025 organized by Siddhartha Academy of Higher Education, Vijayawada, under the theme "Code Geeks"

## CERTIFICATIONS

- Amazon Future Engineer (AFE) Bootcamp: Basics of Java and DSA — NavGurukul, February 2026
- MongoDB Certified Associate Developer — MongoDB, Inc., July 2026
